NATURAL STONE SLABS

Bring natural warmth and durability to your landscape with Colfax Laydown Slabs, a super hard sandstone known for its depth and character. Featuring earth-toned hues of buff tans, deep blacks, and rich browns, these slabs provide a striking yet natural aesthetic. With a consistent thickness of 2" to 3" and top diameters ranging from 24" to 60", they offer a stable, flat surface ideal for stepping stones, landings, and natural patios.

Delivery Options:
