NATURAL STONE EDGING

Colfax Snapped Edger is a soft earth-toned sandstone featuring warm shades of tan, buff, and rust, adding a natural, rustic charm to any landscape. With a snapped front, back, and sides with natural beds, each piece is approximately 4" in depth, 4" in height, and ranges from 8" to 24" in length, making it an excellent choice for walkway borders, garden edging, patios, and driveways. Its durable composition ensures long-lasting performance while blending seamlessly into various outdoor designs.
