

Flatrock Gray Garden Wall

GARDEN WALL

Flatrock Gray Garden Wall stone is a flat, smooth-textured limestone featuring a natural color palette ranging from light gray to olive. With a thickness of 1" - 3" and top diameters ranging from 6" - 14", its stackable design is perfect for edging pathways, lining garden beds, and creating natural landscape borders. Durable and versatile, this stone blends seamlessly into a variety of outdoor settings.

Delivery Options:
Palletized via Straight Truck with Moffett or Semi-Truck
