NATURAL STONE SLABS

Make a striking impact with Tamaha Blue Stand-Up Slabs, a premium gray to deep blue sandstone accented with subtle brown tones for added depth and character. Known for its durability and natural beauty, this super hard sandstone features a consistent 2" to 3" thickness and top diameters ranging from 24" to 60". The naturally flat top and rugged, irregular edges make them a versatile choice for walkways, patios, stepping stones, and natural landings.
