

Trap Rock

DECORATIVE GRAVELS

Trap Rock is a crushed gravel featuring a bold blend of dark gray, red, and maroon hues, offering a rich, natural contrast to any landscape. Its durable, angular shape makes it an excellent alternative to dark mulch, providing long-lasting color without the need for frequent replacement. Ideal for pathways, garden beds, and decorative ground cover, Trap Rock enhances both modern and rustic outdoor designs.

Delivery Options:

Bulk via Single Axle Dump Truck, Tri-Axle Dump Truck, or Quad-Axle Dump Truck.
