NATURAL STONE LEDGEROCK

Crafted from premium Dolomitic Limestone, the Cliffton Outcropping offers a stunning blend of white, light gray, and charcoal tones. With heights ranging from 10" to 14", depths of 18" to 24", and lengths from 24" to 60", these stones are designed to meet a variety of project needs. Featuring very flat tops and bottoms, they are ideal for stacking large boulder retaining walls with ease and precision.

Delivery Options:
Palletized via Straight Truck with Moffett or Semi-Truck
