COBBLES & BEACH PEBBLES

Mexican Beach Pebbles are smooth, naturally rounded stones in elegant shades of gray to black, sourced directly from the beaches of Mexico. Their larger size enhances the visual appeal of water features, dry creek beds, garden borders, and decorative ground cover, adding a sleek and exotic touch to any landscape. Highly durable and low-maintenance, these pebbles seamlessly integrate into both modern and natural designs.

Delivery Options:
Palletized via Straight Truck with Moffett or Semi-Truck
