Coverage: 5-12 face feet/ton

NATURAL STONE BOULDERS

Chunky boulders with a heavily weathered appearance, featuring cream to gray tones accented by moss and lichen. Sizes range from 12” to 36” in depth, 12” to 60” in length, and 12” to 24” in height, making them perfect for adding rustic, natural character to any project. These boulders are ideal for creating organic retaining walls, garden features, or naturalistic landscapes.

Delivery Options:
Palletized via Straight Truck with Moffett or Semi-Truck
