

Course Sand (#23/#24)

LOCAL AGGREGATES

Coarse Sand (#23/#24) is a versatile, multi-purpose material ideal for patio bases, concrete mixes, backfilling, beach areas, sandboxes, and playgrounds. Its coarser grain size provides excellent drainage and compaction, making it a reliable choice for both construction and recreational applications.

Delivery Options:

Bulk via Single Axle Dump Truck, Tri-Axle Dump Truck, or Quad-Axle Dump Truck.

Super-Sacked and palletized via Straight Truck with Moffett or Semi-Truck
